A brand of Crystal Healthcare

Staydry is Australia's leading healthcare & lifestyle brand. We know that wellness starts in the bedroom, from the very moment you get into bed.

To support those with continence issues & those who experience excessive sweating we have developed waterproof and absorbent products. We also support Asthma care with our anti allergy fabrics and functional technologies.

We're also all about pairing functionality with elevating the look of your bedroom to keep it looking fresh & contemporary. We engage some of Australia's most talented designers to create our unique prints & designs that you will love for years to come.

At Staydry, we're passionate about making a positive impact on lives and helping people feel confident and happy to get on with doing the things they enjoy. Our quality range is relied upon by leading Australian healthcare professionals as well being used in the home by thousands of Aussies everyday.

## Boss 40 bed pad

Absorbs up to 2,500mls

Two x soaker layer for rapid absorption

**Quilted and sewn**, not laminated which is a gluing process. Why is that important? The quilting process allows separation of layers which creates airflow, allowing each layer to perform better in the key areas of **absorbency, disbursement and drying**

Open waterproof backing for better airflow aiding disbursement and quick drying

Environmentally sustainable continence aid. It can be washed hundreds of times as opposed to disposable bed pads that end up in landfill

Comes in all bedding sizes with wings S, KS, D and Q

## Blue-e bed pad

Absorbs up to 1,500mls

Lightweight option for medium to light incontinence

Two layer premium soaker felt

We are **quilted and sewn**, not laminated which is a gluing process. Why is that important? The quilting process allows separation of layers which creates airflow, allowing each layer to perform better in the key areas of **absorbency, disbursement and drying**

Comes in all bedding sizes with wings S, KS, D and Q

\*Stone colour displayed

## Durabreathe Bed Insert

it's a water resistant quilt so any spills or stains can be wiped off reducing the need for constant laundering.

Heavy linen is out. Lighter linen is far more comfortable and provides a range of health benefits including pressure sensitive relief.

Our ultralight Durabreathe construction is so light you will hardly notice its on you. It will provide you with the most comfortable night's sleep without wrangling linen

High loft, hollow spun bond fill providing great thermoregulation properties; cool in summer warm in winter plus its antibacterial, antimicrobial & odour resistant.

Comes in all bedding sizes S, KS, D, Q & K

Add style plus functionality to the bedroom

## Durabreathe Cover set range

Lightweight and breathable water resistant microfibre construction

Topside repels spills, accidents, dust and allergens

Underside resists bodily fluids, odours and moisture

Linen changes dramatically reduced; when you do change, lightweight means easy to handle and quick drying

Contemporary range of designs and colours

Comes in all bedding sizes S, KS, D, Q & K with pillowcases

\*Botanica print displayed

## Duratherme Mattress and Pillow Protector

Fabric quality counts. The protective layer breathes and does not make that crackling sound inferior products make. To add comfort, moisture absorption and heat transfer, our 100% cotton terry layer completes what is the **gold standard in bedding protection**.

Absorbent, breathable protective layer

Noise minimisation

Heat disbursement

Perfect for restless sleepers

Easy to wash and dry

Long lasting & durable

Mattress Protector comes in bedding sizes S, KS, D, Q

## DuraTherme Pillow

Our pillow delivers therapeutic benefits for everyone including sensitive skin types and seasonal allergy sufferers.

Waterproof protection against accidents and spills

Hypoallergenic and dust mite resistant

Breathable fabric to ensure a good night sleep

High loft, sanitised hollow fibre

Small spills can simply be wiped down with mild soap and water or with an alcohol spray/disinfectant

## DuraTherme Insert

For heavy incontinence, the DuraTherme Insert is 100% waterproof to cut out the constant laundering

It's also a lightweight doona for pressure sensitive relief and distributes warmth evenly over your entire bed

Simply wipe down the outer fabric with a disinfectant spray. Can be laundered if you wish

It's soft and breathable and doesn't have that plastic feeling

Dust mite resistant for allergy sufferers

**Comes in all bedding sizes S, KS, D & Q**

## Low Profile Floor Mat

Perfect to use in and around the home, our premium low profile floor mat is specially designed to prevent slips & falls.

Commercial grade, used in healthcare facilities Australia wide

Low profile for ease of movement for shuffling feet & walking aids

Easy to wash down with outdoor hose or machine wash

Available in 3 sizes - 60x90cm, 90x150cm and a toilet mat style

**Colours – Charcoal, Beige, Black, Green, Royal Blue**

## Chair Pad

Keep your chair clean and stain free. Our chair pad provides an excellent level of coverage and cushion comfort. For use around your home, car or wheelchair. Can also be used as a pet pad.

Absorbs up to 500mls

Provides excellent waterproof protection

Soft velour top for comfort

Slimline & lightweight

**Comes in 2 sizes – 48x48cm (wheelchair) and 50x60cm**

## Clothing Protectors – Navy, Terry Towelling

Our clothing protectors are an excellent protection for any spills. Choose from either a mechanical stretch fabric with a waterproof inner liner or terry towelling fabric; both are durable and washable with easy removal of stains. Secures with a loop action at the nape of neck for easy application and is a generous cut for optimal coverage.

42 x 52cm

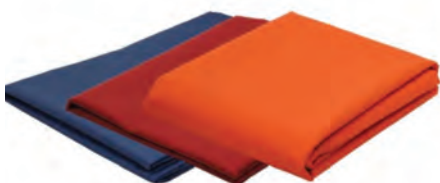

Unisex, one size fits all

## Patient Transfer Slide Sheets

Our patient no-lift aid is used extensively by trained healthcare professionals in Australian healthcare settings for patient mobility but can also be used at home to assist you as a carer to enable repositioning of people in bed with minimal effort. Our slide sheets come with a neat stitched hem around all sides to prevent any fraying and offer greater tear resistance on edges.

**Comes in 2 sizes – 1x1.5m and 2x1.5m**

Kids Range

## Kids Briefs range

Our kids briefs absorb and protect, while still feeling like regular underwear. We have designed them for little accidents and so they are very useful during daytime toilet training while children transition to the pulling up and down routine of normal underwear or when they are older and are experiencing light leaks.

Lightweight

machine washable, tumble dryer safe

can be reused many times over, making them a cost-effective and environmentally friendly

alternative to disposable nappies and pull-ups

## Kids Cover sets

water & stain resistant, so no need to launder if there has been small spills or stains

great, fun prints that compliment kids bedroom décor

great for kids that are toilet training as it protects the doona from any accidents

If you need to launder, the fabric is quick drying

\* Background: Confetti Affair  
Foreground: Cheeky & Wild

**Comes in all bedding sizes S, KS, D, Q & K with pillowcases**

## Little Boss Bed Pad

Designed for those night time accidents, our premium bed pad provides waterproof protection all night. Take the stress out of toilet training and feel assured that your child's bedding is protected. Recommended by healthcare professionals.

Wings that tuck in under the mattress for those that wriggle

Total waterproof protection overnight, 2500 mls fluid retention

Two x soaker layer for rapid absorption while wicking away moisture from the body

Lightweight, machine washable, easy to dry

## Australian Wool Range

Wool is an absolutely amazing product. And it's natural. It has thermal insulation properties and as it's an active fibre, it reacts to changes in body temperature meaning it keeps you warm in winter and cool in the summer. Wool is so amazing that not only does it absorb many harmful pollutants from the air, it does not re-emit them. It's estimated that wool used in interiors can help purify the air for 30 years. How could we not want to work with wool and incorporate it into our bedding.

### **Water Resistant Wool Quilt**

300 grams of 100% Australian wool encased in our world's best technical and water resistant cover for a functional healthcare solution.

SB, KS, DB, QB, KB

### **Waterproof Wool Mattress Topper**

Using beautiful 100% Australian lambswool, this natural fibre will provide a wonderful softness for those people with pressure sensitivities. The topper will also protect your mattress with our waterproof healthcare fabric on the underside.

Cot, SB, KS, DB, QB, KB

### **Australian Wool Topper Bed Pad**

Introducing a revolution to pressure care and incontinence & sweating. Our product helps minimise pressure and also helps to more evenly distributing weight around the body. Our 100% Australia wool draws moisture away from the body, keeping surrounding skin dry and comfortable and helping to maintain a consistent core temperature through the wool's thermoregulating properties.

Comes in all bedding sizes with wings S, KS, D and Q

## Probiotic Range

Bedtime allergies are becoming increasingly common with 1 in 5 Australians experiencing hay fever (allergic rhinitis), and it's not just pollen that triggers it. Sufferers are also affected by dust mites, mold & pet dander.

To combat the debilitating affects of allergies such as asthma and sinus infections we use a revolutionary fabric technology using 100% natural probiotics. These probiotics effectively "eat up" the allergens that are in & on your bedding, constantly ensuring that your bed is free from the allergens.
