Aegis

Sterile Nitrile Exam Gloves
Powder Free, Long Cuff

GloveOn Aegis, like an armour, offers superb hand barrier protection and chemical resistance. Our recommended sterile glove is thicker, with an extended cuff to suit situations which require greater protection.

Alexa

Nitrile Exam Gloves
Powder Free, Gauntlet Cuff

GloveOn Alexa is the bold and powerful new addition to our nitrile glove range, a tougher and stronger solution for workers in the healthcare sector. Distinguished by its gauntlet cuff that extends 500mm, GloveOn Alexa is the glove of choice for maternity nurses assisting with water births, veterinarians, life science workers and room technicians responsible for cleaning surgical equipment.

Avalon

Nitrile Exam Gloves
Powder Free, Standard Cuff

Help improve the environment with GloveOn Avalon biodegradable gloves. Designed to break down normal nitrile gloves in landfill settings, these gloves will take years rather than decades to completely biodegrade. Our unique formulation maintains the high levels of strength and flexibility you'd expect in a nitrile glove, while only allowing the biodegradation process to start once in landfill conditions. Feel confident that GloveOn Avalon will give you the protection you need and help you do your bit for the environment.

Celeste

Nitrile Exam Gloves
Powder Free, Standard Cuff

GloveOn Celeste is a popular choice from our nitrile exam glove range. With high tensile strength and resistance to chemicals, GloveOn Celeste's superior tactility commends it to delicate procedures.

Colloidal Oatmeal System

Nitrile Exam Gloves
Powder Free, Standard Cuff

GloveOn COATS (colloidal oatmeal system) is a patented and unique nitrile glove technology, which contains an FDA-recognised skin protectant. These utilise the powerful benefits of all-natural oats as a coating that forms a natural, moisturising barrier between the glove and skin. This acts as a preventative measure against skin irritation and hydration dermatitis. Therefore, users who suffer from dry and itchy skin can now use GloveOn COATS to protect their hands while they work.
